

Every kid needs a hero.

It can be you.

In every city and town across the country, there are kids who need someone to save the day. Sick kids waiting for a cure. Homeless kids living a dangerous life on the streets. We need your help to give these kids a healthy future.

The time to act is now. **EveryKidDeserves™** is a partnership of trusted charities with a common goal – to ensure that all kids achieve good health and receive the best possible care in a safe, nurturing environment.

No effort is too small, whether you make a donation, invite your social network to support the cause or choose to volunteer. By working together, we can make a huge impact.

Let's get started.
